Old Wooden/Steel School Desks Last chance...to get a piece of history!

We still have several of the old style desks that came out of the elementary classrooms. These are the desks that were used for years (probably going back to the 60's) that were recently replaced with brand new desks in the 1st – 5th grades! **You can own a piece of GCS history for a suggested donation of \$10!** Many parents have already picked up one (or more) of these desks. By next Wednesday, we will be discarding all of the remaining wooden desks...so, get one while you still can! Make your donation in the school office to claim your piece of GCS history before next Wednesday, January 12th.

Note from Pastor Karl Sexton, Gateway Free Will Baptist Church

We are prone to make New Year's resolutions (promises) that we seldom keep for more than a few days! Pastor Sexton has encouraged all of us to simply trust in God and His promises in 2011! Although we may fail to keep our promises...God is faithful and will always keep His Word!
