I. Philosophy

◆ Mission Statement

It is the mission of Gateway Christian Academy to educate the whole person under the authority of God's Word. We believe GCA can best achieve our mission by training young people spiritually, academically, socially, and physically. Gateway stands hand-in-hand with parents and the church in fulfilling this biblical mandate to train up children in the way they should go.

◆ Statement of Faith

We believe in the plenary, verbal inspiration of the Scriptures which guarantees their accuracy and establishes them as man's only authoritative source and guide for life and faith.

We believe in the One, True, Living and Eternal God Who exists equally in three persons: the Father, the Son and the Holy Spirit.

We believe in the deity, virgin birth, vicarious atonement, bodily resurrection, and the imminent return of Jesus Christ for His bride, the Church.

We believe in the necessity of the new birth for all fallen men, which is a work of grace wrought by the Holy Spirit conditioned by a personal faith in Jesus Christ as one's own Lord and Savior.

We believe in the local church and the church universal. The local church is constituted of an assembly of born-again believers who assemble to preach the Gospel, administer the ordinances, and practice Christian discipline. The universal church is made of all born-again believers of all areas and ages.

◆ Objectives

Spiritual maturity and academic excellence are the objectives of Gateway Christian Academy. We believe that the Christian, everything else being equal, ought to do a better job than the non-Christian at any endeavor he undertakes for the glory of God. The following is a summary of the basic objectives of Gateway Christian Academy:

- **Bible Teaching** The objectives of our Bible program are to win students to Jesus Christ, to teach students the contents of the Scriptures, to apply the principles of Scripture to their lives, to develop a love and respect for the Word of God, to help them hide the Word in their hearts, and to make the Word of God the major rule of faith and practice when they become adults.
- **Academic Excellence** The curriculum stresses academic excellence and encourages the development of individual talents. Emphasis is placed on the basic fundamentals. We agree that a student's education, in the final analysis, must be measured largely in terms of his ability to read and interpret intelligently, communicate effectively, compute accurately, write legibly, and spell correctly.
- **Christian Americanism** We teach our students to appreciate and love America and its Christian heritage. We incorporate teaching principles of individuality, self government, conscience as property, and political union upon which our forefathers founded this great republic.
- **Character-building Discipline** The Bible teaches our goal for our youth is to see them "conformed to the image of His Son" (Romans 8:20). We are dedicated to the goal of turning out a special product—a young person with Christian character and self discipline, academically equipped to go out into a lost world and lift up Jesus Christ without fear or apology.
- **Leadership** It is our desire to instill within students the ability to distinguish between right and wrong, to take the responsibility to personally do right and to exercise initiative in leading others in the right direction. We feel that the greatest need of our nation and world today is well-trained Christian leaders.
- **Manners and Courtesies** - Unconsciously practicing good manners and etiquette is our goal for GCA students. Good manners and courtesy are the consideration of the rights and feeling of others and not drawing attention to oneself.

• **Dedicated Christian Teachers** - We believe that dedicated Christian teachers who follow Scriptural instructions to “train up a child in the way he should go” will have a far reaching influence in the lives of youth. Gateway Christian Academy teachers consider their positions as a calling from God, not merely a job.

◆ **Standards of Admission and Conduct**

The following must be signed by all GCA students and parents:

Gateway Christian Academy is first and foremost “Christian.” Our primary purpose is to join with parents in fulfilling the command from God to rear their children in the “nurture and admonition of the Lord.”

To accomplish this task a number of factors must be present in the school. The staff, curriculum, and policies must be Christian. However, even when the above are present, we have found that our efforts are in vain if there is a contradiction of philosophy and practice between the school and home. We are unable to help the child who at home is allowed to indulge in some of the practices which are taught and preached against at school.

We, therefore, request that before a student is admitted to Gateway Christian Academy he or she must agree to adhere to the following:

1. GCA students will refrain from immoral behavior: use of indecent language (spoken or written), smoking, drinking alcoholic beverages, abuse or distribution of illegal drugs, premarital sexual relationships, homosexuality or bisexuality (in practice or proclamation), transgenderism, gambling, cheating, fighting and any other actions specifically forbidden in God’s Word. Students are also expected to avoid locations where these actions are taking place.
2. GCA students will not be involved in corrupt entertainment: Intentional indulgence of media in any form (music, movies, television, books, magazines, internet, etc.) that is blatantly opposed to the teachings of God’s Word.
3. GCA students will also maintain a positive Christian testimony with regard to courtesy, kindness, decency, modesty and honesty.
4. GCA students will hold God and His Word in high regard, respecting the God-given authority of parents, church leaders, school faculty/administration, and government officials.

Students are expected to abide by these standards throughout their enrollment whether at home, school, or elsewhere. Students found to be out of harmony with the Gateway Christian Academy ideals of work and life may be invited to withdraw whenever the general welfare demands it, even though there may be no special breach of conduct.

◆ **Church Attendance**

We desire that all Gateway Christian Academy students attend a Bible-preaching church and Sunday school each Sunday. If a student does not have a regular church home, we recommend the ministry of Gateway Free Will Baptist Church, located on the same property as the school. If you should have any questions about the church or need transportation, please call us at 499-6551.

II. Academic Policies

A Christian school is not merely a school with the proper environment for learning. The academic program must also be proper. At Gateway Christian Academy, we believe we have the proper Christian academic program. We believe our program is truly God centered in all areas.

◆ Curriculum

Using A BEKA BOOKS, Bob Jones University Press, and other traditional texts, GCA offers a full academic program. Your child will learn in a well-structured atmosphere designed to enable each student to concentrate on his studies and achieve his highest academic potential.

◆ Report Cards

Report cards are issued every nine weeks. All financial obligations must be current before report cards can be issued.

Report cards must be signed by a parent or guardian and returned to the school within two school days.

◆ Progress Reports

Parents may keep track of academic progress through RenWeb ParentsWeb. If there are any questions concerning a student's progress, please make an appointment with the teacher.

◆ Testing and Grading

Grading Scale

A 92-100 **B** 84-91 **C** 76-83 **D** 70-76 **F** Below 70 **I** Incomplete*

**Work must be finished within a time frame approved by the teacher and administration.*

Testing Policies

In most classes unit or chapter tests are given every 3 weeks. Quizzes will be given more frequently and may be unannounced. Homework or assignments that are graded are generally counted as quizzes unless specified otherwise.

Calculating Grades

Class grades for each quarter are generally weighted as follows: Test average- 67%, Quiz average- 33% Teachers and administration may decide that certain classes be weighted differently based upon relative numbers of tests and quizzes as well as importance of material.

Middle school semester grades are the average of the two quarter grades. High school semester grades are calculated according to the following weighting: Q1- 40%, Q2- 40%, semester exam- 20%

Final grades are the average of the two semester grades.

◆ Semester Exams

Cumulative semester exams will be given in most middle school and high school classes. 6th-8th grade semester exams will be counted as a normal test. They will be given during the last days of each semester. The material of the entire semester is applicable to these exams and in some instances the material for the entire year will be required for the final exam. High school semester exams are counted as 20% of the semester grade.

A high school student may be exempted from his/her second semester exam in any class in which he/she has earned an A for the year.

The exam for any given course must be taken before a semester or yearly grade can be awarded. Make-up semester exams must be arranged with the appropriate teacher. A grade of incomplete will be the result of any course until the semester exams are made up.

◆ Requirements for Passing a Course

Courses will be judged as passed or failed for the entire year (or semester for those courses in the high school lasting only one half of one year). A grade of below 70 will result in failure for the course.

If a course is failed, the course must be made up before credit will be given in the high school grades (9 to 12).

◆ **Promotion Requirements**

Middle School (grades 6-8)

To be considered for promotion, the student must pass Bible, English and Mathematics. If all three of these subjects are failed, the student will not be promoted. Failure of one or two of these subjects will require the student to attend summer school successfully before promotion will be made. Failure of any other subject area will cause promotion to be conditional upon the recommendation of the teacher and administration.

High School (grades 9-12)

To be considered for promotion, the student must meet the following criteria:

1. Both Bible and English grades must meet the requirements for passing a course.
2. If a student receives two failing grades in courses other than Bible and English, that student will not be promoted.

General Promotion Policies

- Proper credit will be given for passing a course no matter what else is failed that particular year. Credit is either given totally or not at all for each course. Exceptions to requirements for passing a course and requirements for promotion may be granted **ONLY** by the administration in exceptional circumstances.
- Any course failed that affects the student’s graduation requirements must be made up before graduation can be granted.
- In addition to the academic requirements for promotion, all accounts with the school must be paid in full through the end of the school year.

◆ **Graduation Requirements**

Course credits begin to count toward cumulative graduation credits in the 9th grade. A total of 24 credits must be gained in order to graduate. Requirements to graduate are listed below. Substitutions for specific credits may be permitted with prior approval in cases of transfer or scheduling conflicts.

Bible	4*	P.E.**	2
English	4	Foreign Language	2
Mathematics	4	Computers	1
History	3	Speech and Ethics	1
Science	3	TOTAL	24

*or at least one Bible credit for each year at GCA

**Beginning in the fall of 2017, one-half P.E. credit will be given to high school students for participating on a GCA athletic squad. These courses will be graded pass/fail and will not affect GPA.

Early Graduation

Early graduation is unwise in most instances and is highly discouraged. Exceptions will be made only in extreme circumstances.

Outside/Duel Credit

The following criteria will govern courses taken at other schools while enrolled as a student at GCA:

1. All Bible classes must be taken at Gateway.
2. Credit will be accepted from other schools only with prior approval of the administration.

◆ Academic Honors

Honor Roll

Gateway Christian Academy recognizes those who excel academically by placing them on the Honor Roll. To qualify, the student must earn an A or B in every subject. (Honor rolls for semester and year-end averages are based on those grades only and not upon any of the grades of the nine-weeks periods or semester exams.)

Principal's Honor Roll

In addition to the Honor Roll, Gateway Christian Academy recognizes those students who show superior skills and application by placing them on the Principal's Honor Roll. To qualify, the student must have earned an A in all academic subjects.

Christian Honor Society

All junior and senior students are evaluated in four areas (academics, leadership, character, service) by the faculty and administration. Usually two juniors and one senior are chosen to be inducted into this society.

Honor Graduates

Graduates with a cumulative high school GPA of 3.25 or higher will be recognized as honor graduates.

Valedictorian and Salutatorian

Each year the graduates with the highest and second highest cumulative high school GPA will be named the class Valedictorian and Salutatorian respectively. Any tie in GPA will be broken according to the criteria listed below. All students earning a cumulative GPA of 4.0 or higher will be considered tied.

- The student with the fewest grades lower than an A will receive the honor. If still tied...
- The student with the most honors credits will receive the honor. If still tied...
- The student with the most high school credits will receive the honor. If still tied...
- The student with the highest senior year numeric average will receive the honor.

III. Classroom Policies

◆ Attendance

- In order to be excused, students absent for any reason must present a written note signed by a parent to the homeroom teacher upon returning to school. An email to the teacher from a parent's address will also suffice.
- EXCUSED absences include sickness, death in the family, emergencies, pre-approved absences.
 1. Excuses for illnesses lasting three or more days must be accompanied by a note from a physician.
 2. Non-emergency absences must be approved by the administration in advance.
- All other absences are UNEXCUSED. Students will be responsible for all assignments, tests, and quizzes just as if they were present and will be assigned a detention and possible further disciplinary action.
- As a general rule, excused students will have as many days to make up work as they were absent.
- No refunds on tuition or fees are made due to absences.
- Students will not be allowed to miss more than 20 days per year. A student missing more than 20 days in any year will receive a failing grade unless there are extenuating circumstances approved by the administration.

Tardiness

- A tardy pass must be obtained in the office when a student is late for school.

- A student not in place at the beginning of class, chapel, study hall, or any other scheduled activity after the bell has rung (without a note) will be considered tardy.
- Every third **unexcused** tardy will be considered as an **unexcused** absence and will carry the same consequences.
- Every unexcused tardy after the third will result in a detention.

Passes

A student out of class during regular class hours must have a pass from the teacher of the class he is supposed to be in, from the teacher who delayed the student, or from the office.

Chapel Attendance

Every student must attend Chapel and will be excused only in extreme circumstances approved by the administration. Any student causing problems or not paying attention will be disciplined accordingly.

◆ **Lockers**

Lockers will be assigned to students at the beginning of the school year. Locks will not be provided, but students are encouraged to keep valuable possessions secure. A student may bring a lock if his/her homeroom teacher is given the combination or a key. All lockers must be kept neat. The administration reserves the right to inspect any locker and its contents at any time.

◆ **Class Officers**

In grades nine through twelve, the following class officers may be elected: President, Vice President, Secretary/Treasurer, Chaplain.

Elections will be held in the first month of school. Candidates should be considered for their Christian testimony, leadership, service, loyalty, and academics. The class president will serve on the student council along with one other elected member of each class. This other member may be a class officer, but an office is not a requirement for this position.

The administration has the final approval of all elected class officers.

◆ **Withdrawal from Class**

Withdrawals will be permitted only with the approval of the administration and will be granted only during the first week of class or in extreme circumstances.

IV. Discipline Policies

Train up a child in the way he should go: and when is old, he will not depart from it. -Proverbs 22:6

Let all things be done decently and in order. -I Corinthians 14:40

Discipline is far more than chastisement or punishment. It is order, as opposed to chaos; control, as opposed to anarchy, for either one or the other will eventually rule. There can be no genuine Christian education without discipline. Discipline is necessary for proper character development, perfection in the development of God-given talents, and training in every other area for the child of God.

Gateway Christian Academy has a Christian faculty that has the best interest of your child at heart. They must have your confidence in the matter of discipline. However, if you are in disagreement, please voice it to the teacher or the administration and not to your child. Once a parent joins with the student in opposition to the teacher, the student often assumes that it is the parent against the school and teacher. From that point on, the student will never have the respect for that teacher that he ought to have, and that teacher's control and effectiveness are impaired. Often a note or a conference can quickly resolve the difficulty. Be sure you know the facts before you act.

◆ GCA's Foundations

Gateway's classroom discipline is designed to encourage students to exemplify five foundational characteristics in order to develop Christlike character. Rather than focusing on the negative behavior that should be avoided, typical behavioral and institutional issues will be addressed in the context of how to actively exemplify these foundations:

- **INTEGRITY- Do what is right simply because it is right**

Ponder the path of your feet; then all your ways will be sure. Do not swerve to the right or to the left; turn your foot away from evil. Proverbs 4:26-27

We should each strive to live an honest life of the highest character regardless of consequences. We should take special care to ensure that we are doing what is right in all circumstances no matter how important or trivial they may seem.

- **RESPECT- Genuinely value others and their property**

Whatever you wish that others would do to you, do also to them. -Matthew 7:12

We can live out the golden rule by building others up, giving them the benefit of the doubt, and seeking to resolve conflict privately and efficiently.

- **SAFETY- Look out for the well-being of yourself and those around you**

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others. -Philippians 2:3-4

One of the primary purposes of the body of Christ is to meet the physical needs of others. Our own comfort or convenience should never be more important to us than the well-being of others. Everyone has a responsibility to promote a safe environment while actively avoiding actions that could cause harm.

- **RESPONSIBILITY- Be accountable to yourself and others for what you can control**

But let each one test his own work, and then his reason to boast will be in himself alone and not in his neighbor. For each will have to bear his own load. -Galatians 6:4-5

Maturity is marked by the ability to make wise decisions regarding use of time and resources to accomplish specific goals. Only through self-sufficiency and hard work can one take pride in individual effort and the results of labor.

- **HUMILITY -Follow Christ's example of self-denial by being a servant to others**

Have this mind among yourselves, which is yours in Christ Jesus, who, though he was in the form of God, did not count equality with God a thing to be grasped, but emptied himself, by taking the form of a servant, being born in the likeness of men. -Philippians 2:5-7

Jesus valued the salvation of man more than His own identity as God, His position in heaven, and His own physical life. Gratitude for His sacrifice should drive every Christian to think of others before self and live out this attitude through service of God and man.

Discipline at GCA has several forms - verbal or written reprimands, extra work, detention, probation (academic or disciplinary), suspension, or expulsion. The first three are self explanatory. The last two will be discussed by the demerit system. A description of probation follows:

◆ Probation

Academic A student is placed on academic probation when he is failing in all or nearly all of his academic classes, or when he is showing no tangible effort in assigned class work or tests. Continued academic probation may result in dismissal from GCA. Parents will be notified of the specific prohibitions for their student.

Disciplinary A student is placed on disciplinary probation when he repeatedly or flagrantly ignores, disobeys, or mocks school regulations or teacher instructions. If a student fails to respond to this action, suspension or expulsion may follow. Any student placed on disciplinary probation may be required to attend thirty minutes of counseling per week at the convenience of the person giving the counseling.

◆ Athletic Eligibility

Any student desiring to be a member of any sports teams or cheerleading squads must meet the following eligibility requirements:

1. Maintain a C average with no F in any course. (See athletic handbook for further explanation)
2. Attend church faithfully.
3. Accumulate no more than 8 demerits within a semester.
4. Follow the guidelines listed in the athletic handbook and other regulations as the coach or sponsor sees fit to require with the approval of the administration.
5. Practice with the team at least 2 weeks before being allowed to play with the team in an official game.

We urge our students and parents to support our teams by attending school games. Good sportsmanship is expected of all those connected with our school.

◆ The Demerit System

The demerit system is a disciplinary system with correction of the problem student as its primary objective. Teachers are to handle classroom discipline according to their own disciplinary procedures. A demerit will then be given with each detention that is assigned and not as the first or major punishment.

The demerit system will be used to notify the administration when a student has accumulated more than the allowable number of demerits and thus has become a problem student. The allowable limits will be set at intervals of eight. Therefore, a student will be brought before the Disciplinary Committee at 8, 16, and 24 demerits.

A demerit will accompany each detention that is assigned. Demerits may be given in greater numbers by the Disciplinary Committee for more serious offences.

The demerit system is operated on a semester-by-semester basis. Each student starts with a clean slate on day one of any given semester. The only exception to this would be a student who receives 16 or more demerits within a semester; in which case the student will be on disciplinary probation and begin the following semester with one-half of the number of demerits with which he ended the semester.

When a student receives 16 or more demerits within one semester, those demerits will become part of the permanent record.

Any student who is suspended for one week or more, or expelled, may be prohibited from participating in any extra-curricular activities or holding any class office or position of leadership for up to one full calendar year.

◆ Disciplinary Committee

While classroom disciplinary procedures, detentions, and demerits are proper responses to minor or typical classroom offenses, staff and faculty may request school administration that a student go before a Disciplinary Committee if the student is thought to be violating the school's Minimum Standards of Conduct or needs to be questioned about a more serious offense. The Disciplinary Committee will be made up of the Principal and/or the high school supervisor, another faculty member, and a school board member or one of the pastoral staff when possible. The specific members of each Committee are the sole discretion of the Principal or Supervisor. Calling for a Discipline Committee is not a declaration of guilt, but a process by which further investigation and thought can be given to the disciplinary matter at hand. In each instance, this committee will perform a number of duties:

1. Review the student's case and possibly interview teachers, other students, and the student in question.
2. Administer appropriate punishments (including assigning detentions and demerits) that will increase in severity with each successive visit by the student. For Discipline Committee meetings regarding an accumulation of demerits, a suggested progression would be:
 - 8 - 2000 word essay (disciplinary probation may be considered)
 - 16 - One day of in-school suspension and place the student on disciplinary probation
 - 24 - Three days suspension (either in or out of school)
 - 26 - Brought before the expulsion board for possible and probable expulsion
3. Develop other corrective measures including:
 - counseling with the student
 - informing the student's teachers of action taken with possible suggestions for handling the student in the future
 - informing the parents of the findings and action of the committee

◆ Expulsion

When 26 demerits are earned a student will go before the expulsion board made up of at least one representative of the faculty, the administration, and the school board.

Any student expelled from Gateway Christian Academy will be required to stay out the remainder of that semester and the following full semester. Then, and only then, will re-admission be considered. To be considered for re-admission a recommendation from the pastor or youth pastor of the church the student attends will be required.

Students who are expelled may not attend any GCA events or activities for the remainder of the school year. This includes, but is not limited to, athletic events, school programs, SACS competition, the Jr/Sr. banquet, fundraising events, and graduation.

Students who withdraw from GCA during the process of fulfilling disciplinary procedures (suspension, disciplinary probation, discipline committee activities, etc.) will be held to the same re-admission and GCA activity standards as a student who is expelled.

◆ Serious Offenses

The following will not be tolerated on school property:

1. Intentional or malicious destruction of school or personal property
2. Possession of materials that serve no purpose but to disrupt (i.e. stink bombs, noisemakers, spray paint, etc.)
3. Weapons- knives or guns of any kind (real or toy) are never permitted
4. Explosive devices or fireworks

5. Tobacco, alcohol, or other controlled substances
6. Vulgarity or profanity in speech or action
7. Threatening actions or words directed to faculty, visitors, or other students

The following list of serious offenses that will not be tolerated on or off campus is not intended to be exhaustive, but is to serve as a basic guide in understanding of the principles and offenses which guide the Disciplinary Committee when considering disciplinary action:

1. A rebellious spirit which is unchanged after much effort put forth by the teacher and principal
2. A serious breach of conduct inside or outside of school which has an adverse effect upon the testimony of the school, its administration, or faculty
3. Conduct or attitude which reflects the student to be in open opposition to the basic principles and purposes of the school
4. Failure of the parents to comply with the disciplinary procedures of the school
5. Insufficient academic progress resulting from a refusal to apply oneself
6. Use, possession, or trafficking of alcohol, tobacco, or any other illegal drug
7. Drug abuse
8. Improper speech, vulgarity, profanity, lying, pornography, and obscene gestures
9. Regular use of entertainment (music, television, movies, etc.) that is blatantly opposed to the teachings of God's Word
10. Sexual activity of any kind

Although the school recognizes that it has no direct control of the student when away from school, any violation of accepted behavior for Gateway Christian Academy students will be considered serious. Gateway Christian Academy is judged by the testimony of its students before the public.

Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity. -1 Timothy 4:12

◆ **Sexual Conduct Statement**

We believe that God has commanded that no intimate activity be engaged in outside of a marriage between a man and a woman. We believe that any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery and pornography are sinful perversions of God's gift of sex (Genesis 2:24; 19:5, 13; 26:8-9; Leviticus 18:1-30; Romans 1:26-29; 1 Corinthians 5:1; 6:9; 1 Thessalonians 4:1-8; Hebrews 14:4). We also believe that men and women are spiritually equal in position before God but that God has ordained distinct and separate functions for men and women in the home and the church. Because God created men and women different physically and for different roles, we consider transgenderism to be in opposition to God's design (Galatians 3:28, Colossians 3:18-19, Genesis 1:27, Genesis 2:18-25).

Dating Relationships

It is recognized that in some cases friendships developed during the school years will mature into life-long relationships; therefore, it is the policy of Gateway Christian Academy that dating shall be directed from the homes of the students. For school functions, such as banquets, double dates or chaperoned dates will be permitted.

To avoid unbecoming behavior and life-long regrets, students shall not come to school or leave after school in mixed groups unless accompanied by an adult or previously approved by the administration. Couples should not be in unchaperoned situations or places such as otherwise empty buildings or

rooms, behind buildings, or in any parking lot other than the one in front of the high school building without a teacher, staff member, or one of their parents accompanying.

Outward show of affection in public, such as holding hands, having arms around one another, and the like is unbecoming to a Christian young man or young woman, and will be prohibited in the school or on the school grounds. A genuine Christian behavior toward the opposite sex is manifested in a discreet manner. No physical contact is permitted on campus or at any school functions.

V. Dress Code

While recognizing that Christianity is a matter of the heart, it is nevertheless true that one's outward appearance is reflective of his inward spiritual condition. It is true that God looks on the heart, but it is also true that the same verse says that man looks on the outward appearance (I Samuel 16:7). Men cannot see one's heart and therefore, to some extent, judge the intentions of the heart by appearance.

I Corinthians 10:31 says, "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God." That includes how one dresses. It is impossible to glorify God and self at the same time. Questionable attire should always be measured by this criteria: Does it glorify God, or does it glorify me?

We recognize that conformity does not necessarily mean conviction. However, it is the desire of the administration of Gateway Christian Academy that our students develop some strong personal convictions and common-sense practices of their own. In the meantime, it will be necessary for the school and parents together to point them toward what is right or wrong according to Biblical principles.

The administration reserves the right to determine if particular styles and fashions are within the guidelines listed below. Additions or adjustments to these rules may be made by the administration at any time during the school year with adequate notice to all concerned.

◆ General Guidelines for Middle School Dress (Grades 6-8)

- GCA middle school students must wear school uniforms obtained through Flynn O'Hara Uniforms Inc.
NOTE- Only the styles currently for sale are permitted. Several colors and styles of clothing (blue pants, unbranded shirts, etc.), were discontinued following the 2014-2015 school year and, although they were permitted during the transition year of 2015-2016, those items are no longer permitted.
- Uniforms should fit modestly and be neat in appearance.
- Students often grow quickly. Please be aware of the changing needs of your student and mindful that GCA teachers may contact parents if a particular uniform becomes too tight or short.

◆ **General Guidelines for High School Dress (Grades 9-12)**

Education- Gateway Christian Academy does not require 9th-12th grade students to wear a specific uniform. Instead, we hope that by following a dress code students are able to learn to choose clothing that speaks to the type of person they, and the institution to which they belong, desire to become.

Modesty- GCA students should dress in a manner that does not draw unnecessary attention to oneself. Fashion should not specifically highlight or draw attention to the body, but rather the face.

Appropriateness- It is the desire of GCA that high school students learn to dress in an appropriate manner for the activity in which they are participating.

Professionalism- We want the “look” of Gateway students to be neat, orderly, and clean. While societal norms should not dictate our actions or choices, Christians should certainly rise above expectations in all areas including appearance. For this reason, extreme styles of clothing, accessories, makeup, and hairstyle will not be permitted. Visible tattoos, body or facial piercings, or any other markings on the skin will not be permitted.

- Shirts worn during athletic events should not contain messages that are opposed to God's Word or promote worldly ideas, entertainment, or philosophies.
- Students may remain in their P.E. uniforms for any classes, meetings, or study halls after their P.E. class.

◆ Extra-curricular Activities

Students should be mindful of school dress policies at all school functions (sporting events, school programs, fundraisers, etc.) whether these events are on the campus of GCA or elsewhere. While middle school students are not required to wear their school uniforms and high school students are not required to be in classroom attire, both groups should abide by the following modesty guidelines while attending extra-curricular activities:

- Clothing should be in good taste and appropriate to the event.
- All garments should reach the knees (shorts, skirts, dresses, etc.) and cover the shoulders.
- Tight-fitting or form-revealing apparel will not be permitted.
- There should be sufficient overlap between top and bottom garments that skin will never be visible between them.
- Ladies should not wear low-cut tops. Visible cleavage is never acceptable.
- Messages and images on apparel should not be negative, unbiblical, or promote immoral entertainment.
- Students who, in the discretion of school administration or their representatives, are not in conformity with these guidelines may be asked to leave the event or change clothing and may face disciplinary action.

◆ Dress Code Violations

The following procedures are not intended to punish students who do not comply, but to teach them to abide within the specified dress guidelines and notify them when they are not. When students are deemed to be out of dress code they may be verbally instructed to fix the issue by a teacher. When this is possible and not a recurring issue, a simple verbal warning will be issued. If this is not possible the student may be issued a dress code offense. If the violation is a modesty concern or an obvious violation of the dress code, the student may also be asked to change clothing in order to remain in class. Dress code violations carry the following repercussions:

1st offense written warning

2nd offense detention

3rd offense detention and conference with the parent

4th offense High school students will be required to wear the middle school uniform for the remainder of the school year. Middle school students will continue to receive detentions for each subsequent offense.

VI. Enrollment/Withdrawal Policies

◆ Financial Information

Gateway Christian Academy depends upon tuition for nearly the entire operating budget. Tuition is paid in ten monthly payments beginning in August and continuing through May.

1. Make all tuition, lunch, gift, and other checks payable to Gateway Christian Academy.
2. Tuition may be paid in full prior to the school year or a monthly FACTS automated draft must be authorized.
3. Report cards will be withheld if an account is delinquent.
4. No cumulative records will be released to another school unless all tuition and fees are current.
5. No reduction in charges will be made for absences for any reason.
6. If a FACTS automated draft is unsuccessful after three attempts, the child(ren) will not be able to attend classes until payment is made.
7. There will be a \$25.00 fee charged on all returned checks.
8. If a child is withdrawn from the school, the account will be charged with two additional payments.
9. Before a child can begin a new school year:
 - a. Contract must be turned in.
 - b. Registration and one month tuition must be paid.
 - c. Previous accounts must be paid in full.
10. Students transferring to another school and having attended one or more days of the month will owe the entire month's tuition.

Class Fees

Some of our high school subjects may require a fee over and above tuition costs. These fees are used to help maintain the equipment and purchase supplies needed to teach the subject.

Textbook Fee

In order to reduce the cost of school expenses, Gateway Christian Academy will rent the textbooks used at the school. Consumable books (workbooks and other selected books) will be purchased by the student. The book fee is included in the tuition price. Rental books must be returned at the end of the year.

The cost of replacing a lost or damaged book will be added to a student's account. Please do not forget that all rented textbooks must be covered.

◆ Withdrawals

A completed withdrawal form must be submitted to the school office by the parent who wishes to withdraw his child(ren). Withdrawals from GCA will incur an additional fee equal to two monthly payments. This will be charged to the current account. In cases of extenuating circumstances, arrangements may be made with the school administration.

VII. General Policies

◆ Office Information

Lost and Found

Personal articles, clothing, books, etc. will be kept in "lost and found" and may be retrieved in the office. After adequate notice, unclaimed lost and found items will be periodically donated to charity.

Delivering items

Any book, lunch, or other item that is brought to a student during the day should be left in the school office.

Phone Calls

1. All calls made by students during school hours must be pre-approved by the office.
2. Students should not ask to use the school phone unless it is absolutely necessary.
3. Phone calls will be limited to a maximum of three minutes.
4. Students are not allowed to use cell phones or any other personal communication device during school hours.

Cell Phone Policy

Many parents wish for their students to carry cell phones for the purposes of safety and convenience. If a student brings a cell phone to school, it must be powered down during school hours to prevent distractions. If a cell phone is discovered to be on, the following procedure will be followed:

1st offense- The phone will be taken to the office and kept until a parent or guardian retrieves it.

2nd offense (and every offense following)- The student will receive a detention and the phone will be taken to the office and kept until a parent or guardian retrieves it.

Any cell phone use will carry the penalty of a detention in addition to the procedures listed above.

If a student needs to be contacted during the school day, a parent may contact the school office.

Personal Electronics Policy

High school students may only use personal electronic devices (laptop computers, mp3 players, cameras, electronic readers, etc.) on campus if specific permission is given by the supervising teacher. Permission will generally be granted when the device is used for pertinent educational purposes. If an electronic device is being used during class for non-academic purposes, the device will be taken to the school office for a parent or guardian to retrieve.

Headphones and ear buds should not be used on campus at any time.

Sick Bed Rules

If a student is ill enough to be in the sick room he/she is ill enough to be at home resting quietly, or if needed, taken to a doctor. For this reason, we will contact the parent to come to pick up the child. A child should never be sent to school with a fever or a known communicable illness.

◆ School Programs and Resources

Library

A library is provided for the Gateway Christian Academy students where they will find reference books as well as other wholesome books for their reading enjoyment. Books may be checked out for two weeks at a time. Overdue books will incur a charge of \$.25 per day.

Computer Lab

GCA's computer lab is available for student use during study halls and/or as provided throughout the school day. Students will be able to use the computer lab only when it is supervised by a teacher or staff member. Generally the computer lab will not be available before or after school hours.

Music Classes

1. We are pleased to be able to offer choir classes to both junior high and high school students.
2. Piano and other private instrument lessons are offered, as available, to junior high and high school students. Many times there is a waiting list for these classes. There is an extra charge which is billed each month. Work missed during these lessons must be made up. Lessons missed because of snow days or any reason attributed to the school or teacher (except scheduled off days) will be made up. However, any days missed by the student for any other reason will not necessarily be made up.

Students who frequently miss their lessons because of forgotten books or those who consistently fail to do the required work may be dropped.

Lunch Program

A well-balanced and nutritious lunch program supplied by our own ably-staffed kitchen is made available to our students and staff. Meals may be bought on a day-to-day basis. A price list and menu is provided each year. If a student forgets his/her lunch, one will be provided and should be paid for the following day. This will not be allowed on a regular basis.

Field Trips

Field trips are taken at various grade levels to enhance the academic program during the school year. These trips will be announced as planned and will require a permission slip from the parent and possibly a fee.

Parent-Teacher Fellowship (PTF)

Each parent is urged to attend Parent-Teacher Fellowship meetings and school programs. Check the school schedule for the dates and times.

◆ Property Regulations

Hours of Operation

Students are only allowed in school buildings from 8:00 a.m. to 4:00 p.m. on school days unless accompanied by a faculty member. Any student still on campus after 3:30 must be under the supervision of a staff member or in aftercare. Students in aftercare must be signed out in the school office. Aftercare charges will apply.

Leaving School Property

Permission must be granted through the school office and students must sign the register in the school office before leaving the school property during the school day.

Visitors

Parents and visitors are welcome to visit Gateway Christian Academy. We do request that an appointment be made first. All visitors must register in the school office and wear the issued identification while on campus.

Our teachers are always willing to discuss your child's progress or problems before and after school. We ask that you do not disturb them during class.

A student wishing to bring a visitor to the school must first obtain permission of the administration as well as the teacher.

Drop Off/Pick Up

All traffic beside the buildings is one-way during pick up/drop off times (8:00-8:30, 3:00-3:30).

All students may be dropped off at the curb beside the elementary building.

Middle School and High School students should be picked up in front of the church building.

If your student is not waiting to be picked up at the appropriate place, please park in the lot in front of the church until he/she is ready to be picked up. Please refer to the diagram on the next page for clarification.

Parking

Between the hours of 8 a.m. and 3:30 p.m. no cars will be allowed on the parking lot between the elementary building and the lake except for teachers and those staff members who have offices in the church building, gym, or high school building. This is for the safety of our students. Visitors may use the

spaces provided in front of the church building. Please refer to the diagram on the next page for clarification.

Automobiles

It is a privilege for students to be able to bring a car to school. The following regulations apply:

1. Cars are not to be occupied during school hours; students are not to sit in parked cars while waiting for school to begin. These regulations also apply for cars parked on campus during after-school activities, sports events, etc.
2. Each driver should practice courteous driving habits.
3. Reckless driving on school grounds may result in disciplinary action and ultimately the loss of the privilege to drive to school.
4. Student drivers are not to drive other students without parental permission and approval of the administration.
5. Students are to park their cars in the parking lot in front of the church building.

Lake

Students are not allowed any closer to the lake than the edge of the parking lot unless accompanied by an adult.

◆ **Parking, Pick Up and Drop Off Traffic Pattern**

Morning Drop-Off

Parents may drop off students at the front door of the elementary or high school building from the drop-off/pick-up lane. Please do not leave your vehicle in this lane. If you need to enter the building with your child, please park and use the crosswalks.

Afternoon Pick-Up

Cars in the pick-up lane should never cross the double yellow lines. Please stay in the pick-up lane until you pass the high school crosswalk.

Parents arriving before pick-up time are encouraged to park in the main parking lot to wait for their children.

Be Safe

Please be mindful that there are numerous children leaving the school at the same time. Remain watchful and cautious while obeying the directions of the crossing guards.
