FINANCIAL INFORMATION

Gateway Christian Academy depends on tuition for nearly its entire operating budget. In addition, the school actively participates in fundraising opportunities throughout the year. These efforts provide resources beyond tuition—strengthening programs, enhancing facilities, and expanding opportunities for our students. While participation is not mandatory, your support in these efforts is essential to our shared mission and greatly valued as part of the Gateway community.

1. Tuition payments are processed exclusively through the FACTS Billing System, which requires a one-time annual enrollment fee. Payments cannot be made directly to the school office.
2. Report cards and cumulative records will be withheld if an account is past due.
3. Tuition is not reduced for student absences or school cancellations for any reason.
4. If a FACTS automated draft is unsuccessful after three attempts, the student(s) will not be able to attend class or school activities until payment is made.
5. A \$30 fee will be charged for all returned payments through the FACTS Billing Account.

UPPER SCHOOL ELECTIVES AND TRIPS

Some of our high school electives may be subject to additional costs beyond tuition and fees. These costs help enrich the student experience by providing unique opportunities, materials, and enhancements that bring each class to life. In addition, some trips may be subject to additional costs, offering unforgettable learning adventures outside the classroom.
